

# How to Validate a First Aid and/or CPR/AED Certificate

## If the Certificate was Issued Prior to October 2017:

Contact your Training Coordinator, Jennifer Watson for confirmation of certificate validity. She will access her database with the person's first and last name.

Email: [jennifer@firstforsafety.ca](mailto:jennifer@firstforsafety.ca) Phone: 705-526-3853

## If the Certificate was Issued Since October 1, 2017:

1. Obtain the Certificate ID # from the person whose certification you are looking to validate. This unique ID# is found on their official certificate (wall or wallet).

2. Go to the MyRC Website Validate Certificate Page located at:  
<http://myrc.redcross.ca/validatecertificate/>

3. Enter in the Certificate ID# and the Last Name of the Candidate.
4. Press the 'Validate' button

5. Certificate validation information will appear with the course certification type and expiry date.
